

Doodle Bugs Curriculum Information

2024-25 School year our Doodle Bugs class curriculum being used is Frog Street Infant's.

If you would like to investigate this curriculum more you can do so at the web site

<http://www.frogstreet.com/curriculum/infant/>

This curriculum is extremely hands on activities that are age appropriate in regard to each of infants age / developmental stage. It is broken up into the following age groups:

0-3 months

3-6 months

6-12 months

12-18 months

Each age group will do activates / experiences is the following categories:

Language

Physical

Cognitive

Social Emotional

This class is busy and each day is so very different from the day before. Here at Toy Town, we do our absolute best to help each friend reach their age-appropriate milestones. As always you will get pictures, videos, and notes showing and telling you what they have done in class each day via brightwheel. You will also be able to see weekly lesson plans in brightwheel.
